EDUCATION

Sri Eshwar College of Engineering	B.E(ECE)	**2023-2027**
Sree Adharsh Mat.Hr.sec	HSC	**2021-2023**
Sree Adharsh Mat hr.sec	SSLC	**2020-2021**

PROJECTS

Employee Management System   **2024**

Designed and implemented an efficient Employee Management System to simplify tracking and management of employee data within the organization, enhancing operational efficiency and record accuracy.
Tools Used: C Compiler

Password Manager   **2024**

Built a robust Password Manager to securely store and manage user credentials, featuring advanced encryption, secure retrieval, and automated strong password generation for enhanced data protection.
Tools Used: Python

Chatbot Application   **2024**

Developed an intelligent Chatbot Application capable of delivering seamless interactions and precise responses to user queries, supporting features like interview question guidance and real-time data updates.
Tools Used: VS Code

INTERNSHIP

Web Development-Octanet Services   **2024**

Successfully completed a one-month Octanet internship, gaining valuable industry insights and hands-on experience.

Python Programming-CodSoft   **2024**

Completed a one-month internship with CodSoft, acquiring hands-on experience and deepening understanding of industry workflows.

TECHNICAL SKILLS

Language: C,Python ,Java
Technologies: HTML,CSS ,SQL
Tools: Github,Canva,VS code ,Linux
Core concepts: Data structure

ACHIEVEMENTS

HACKARANCK: 3 stars in Python , 2 stars in C and 2 stars in Java
CODECHEF: Solved 60+problem
Second Place Winner at Code Fiesta Hackathon
Fourth Place Recipient at Creatathon
Participated in the project Expo held at Sri Ramakrishna college of Engineering
Participated int the Paper Presentation held at CIT college of Engineering

CERTIFICATION

Completed Front End Development-CSS course,C For Beginners ,Github Tutorial for Beginners
HTML Attributes and Tags from **GREAT LEARNING**   **2023**
Completed CSS Crash Course For Beginners from **UDEMY**   **2023**
Completed Basics of Python from **INFOSYS SPRINGBOARD**   **2024**
